

## **PERSONNEL COMMITTEE REPORT**

**October 2013**

### **Promotion**

On October 19, Stephen Nelson was promoted to Operations Supervisor at the Wastewater Treatment Utility. Steve began his career at the Utility nearly 9 years ago as an Operator and was promoted to Laboratory Manager in 2008. In 2009, he earned his Indiana Department of Environmental Management Wastewater Class IV Certification. He was recognized by the Indiana Water Environment Association in 2011 with the "Laboratory Excellence Award." The City is fortunate to have his experience and technical expertise in this very important position.
